Dear Parishioners,

This weekend we are in Lourdes with the Diocesan Pilgrimage. We are bringing 110 people and will be the largest parish group from the diocese. Please keep us all in your prayers as we will you. We will be bringing with us all the petitions that people have handed in and will place them at the Grotto. We will also be lighting a Candle for the whole parish at the shrine. We are back late on Saturday. This weekend we welcome Fr Denis O'Connor to the parish and he will be saying the Masses over the weekend. While we are away there will be the normal pattern of Masses each day although there will not be the morning Mass at St Augustine's on Wednesday at 9am. There will be the 12 noon at Christ the King. I am grateful to Fr Donlon and Fr Keniry for their help. Many of you will be aware that the Parish Community Centre has been leased to a company from Birmingham for the last seven years. This lease comes to an end in June and the lease will not be renewed. The company who have the lease at the moment were very eager to renew but I felt it was not in the best long term interest of the parish and community.

The Parish will resume overall charge of the centre and I want to develop the community side of the centre again. We will be keeping all our staff and management will be with Mr Frank Keogh, who many of you know has run the club well for many years. In lots of ways there will be a smooth transition and we hope to make improvements that will benefit members and improve parish and school links as well as the local community. It still needs to be professionally and tightly run to ensure its future but I want to ask for your support in using the centre as much as you can for family occasions knowing that it is now supporting the church and its mission. All bookings made will of course be honoured and we hope to improve on all aspects of the service given to you. The same level of catering and service will be maintained and hopefully improved. We will be looking to improve the premises as well. More details as we come closer to the time of handover. If you have any suggestions about the centre let me know. The handover date is Monday 29th of June.

We will have our usual weekend camp for our Youth Groups with "It's a Knockout" This is on weekend of June 19th to 21st We are also looking at a summer weekend for families. This will be on the 5th and 6th of September at the end of the summer. It would have the option of camping or overnight accommodation but be near enough to come home each night if that is preferred. Is this something that would be of interest? Have a think about it and we will start to see if there is enough interest over the next few weeks. I am sure it would be a good thing to do. We will be setting up a small planning group to look at dates, costs etc. It should only cost £30 per family for the weekend. There is a list at the back of church for you to sign up if you are interested. This list is only to start to have an idea of numbers and not a commitment as such. The new Family Centre at St Augustine's is now fully opened. There are leaflets at the back of church telling you about the good work going on there and if you want to find out more call in or phone 02476 785300. It is a very good project. There is a training day for anyone interested in Parish Evangelisation at St Chads Cathedral on Sat 30th May from 10am to 4pm. All welcome. Pray for Archbishop Vincent Nichols as he begins his new role and for Bishop William Kenney, who has been appointed to administer the diocese. I attended the meeting of the Canons to elect him on Friday and to begin the process of appointing a new Archbishop. Please pray for the diocese at this important time and for those looking after things until the appointment of our new Archbishop.

May Our Lady of Lourdes pray for us all,
 God Bless.

Fr Tom

CAFOD recently launched a Climate Justice Campaign in Coventry. There is an explanation display at the back of the Church God has given us our planet and rich resources, it is a divine gift, BUT its our responsibility to use these resources with care It is the poorer developing countries which are suffering from the effects of the emission of green-house gases from industrial regions such as ours. One way we can help is to adopt a simpler life-style. There will be suggestions every fortnight about this. THIS WEEK suggestion is "turn off the tap" running water wastes natural resources.

An Induction Loop System is provided in the church to assist Hearing Aid Users Please switch your Hearing Aid to the 'T' Position.
